

Hosting Plans

<p>Bronce [Bronze] \$295 + GST</p>	<p>Plata [Silver] \$495 + GST</p>
<ul style="list-style-type: none"> • Disk Space – 1 GB • Monthly Bandwidth – 30 GB • Auto SSL [Secure Socket Layer] • Up to five databases • Three subdomains • Daily backups [any required backup restores performed ASAP] 	<ul style="list-style-type: none"> • Disk Space – 3 GB • Monthly Bandwidth – 70 GB • Auto SSL [Secure Socket Layer] • Up to five databases • Five subdomains • Daily backups [any required backup restores performed ASAP]
<p>Suitable for most small to mid-sized WordPress or static websites. The disk space refers to physical space allocated for website files. 30 GB bandwidth can handle high levels of site traffic. The SSL increases security of site visitor data, has a positive benefit on SEO, eliminates any security warnings displayed by browsers and is essential for any site that processes credit cards. Subdomains allow for flexibility and website expansion [e.g. shop.mysite.com.au].</p>	<p>Suitable for mid-sized WordPress or static websites. Suitable for small eCommerce stores [less than 25 products]. 70 GB Bandwidth can handle very high levels of site traffic. All benefits of Bronze plan.</p>
<p>Oro [Gold] \$995 + GST</p>	<p>Hola VPS [Virtual Private Server] \$2,495 + GST</p>
<ul style="list-style-type: none"> • Disk Space – 10 GB • Monthly Bandwidth – 200 GB • Auto SSL [Secure Socket Layer] • Up to eight databases • Unlimited subdomains • Daily backups [any required backup restores performed ASAP] 	<ul style="list-style-type: none"> • Private environment for your website(s) • Disk Space - 40 GB • Monthly Bandwidth – 1200 GB • Auto SSL [Secure Socket Layer] • Unlimited databases • Unlimited subdomains • Daily backups [any required backup restores performed ASAP]
<p>Suitable for large websites. Suitable for medium sized eCommerce stores [25 – 100 products]. 200 GB Bandwidth can handle extremely high levels of site traffic. All benefits of Bronze and Plata plan.</p>	<p>Suitable for several websites. Suitable for large eCommerce stores [100 + products]. If adding more than one website, disk space and bandwidth can be partitioned to meet the unique requirements of each website.</p>

- Daily backups can be added to any hosting plan for \$195.00 per annum which provides the ability to immediately send a recent back-up of the site [version no older than 24 hours] without delay.
- Premium SSL can be purchased – POA depending on security requirements.
- Bandwidth can be assigned for unusually high spikes in traffic – POA depending on bandwidth requirements and time period.
- We can also set up a custom VPS [Virtual Private Server] for your website(s) if the Hola VPS service does not meet your requirements [Price POA].
