

# Maintenance Plans

## Bronze [Bronze] \$730 + GST

- Quarterly core WordPress and plugin updates
- Uptime Monitoring (9am–5pm, Mon to Fri)
- Security Monitoring (9am–5pm, Mon to Fri)
- Five hours WordPress related enquiries, edits, error checks, bug fixes and help desk assistance

Keeping WordPress and plugins up to date is important for site performance and security. We will maintain the WordPress database by performing regular cleans and by removing any excessive 'post revisions' which can impact on website speed. During business hours, we receive alerts if your website goes down for any reason and react accordingly. This plan also includes five hours of WordPress edits which include text and image updates to any item that is editable within the WordPress environment.
